

Answered Prayer Checklist 1

[Thank You Lord By Don Moen](#)

Our prayer in this Month of November went from petitions, to declarations and we now move to thanksgiving. Our prayers have been rooted in faith, in our confidence that God heard us when we prayed. 1 John 5: 14-15 tells us if we are certain that God will hear our prayers when we ask for what pleases him. And if we know that God listens when we pray, we are sure that our prayers have **already** been answered.

Since we **believe** our prayers are **already** answered, by **faith** we expect to see the results manifested in our daily life as we go forward.

1. **Let us be reminded that In this prayer we prayed concerning the spirit of wisdom and revelation to know God better, experience the greatness of His power, and have a deeper understanding of God's truth based on Ephesians 1:17-23.**

Our prayer was this: Heavenly Father, we come before You in the mighty name of Jesus, asking according to Ephesians 1: 17-23 that You, the God of our Lord Jesus Christ, the Father of glory, may give us, your people, the spirit of wisdom and revelation in the knowledge of You. Open the eyes of our understanding so that your revelation may enlighten us. Help us to know the hope of Your calling and the riches of the glory of Your inheritance in the saints.

Father, may we experience and comprehend the exceeding greatness of Your power toward us as believers, according to the working of Your mighty power.

This is the same power that You worked in Christ when You raised Him from the dead and seated Him at Your right hand in the heavenly places, far above all principality and power and might and dominion, and every name that is named, not only in this age but also in the one to come.

Thank You for putting all things under His feet and giving Him to be the head over all things to the Church, which is His body, the fullness of Him who fills all in all.

Lord, we submit ourselves to You and trust in Your power and wisdom. Let us grow in deeper knowledge and understanding of Your truth. Amen.

We expect this prayer to bring transformative spiritual growth, resulting in visible changes in our daily lives. These changes will reflect greater spiritual wisdom, a clearer understanding of God's truth, and a deeper relationship with Him.
